

Rotary Club of Carshalton

www.carshaltonrotary.org

Rotary Club of Carshalton is a founder member of the Carshalton Carnival and is a club for people from all walks of life in the local area. Rotary is a worldwide service organisation operating in most countries.

We meet locally on Tuesdays throughout the year and provide the opportunity for fellowship, fun, friendship as well as supporting local, national and worldwide causes. Membership is open to all business professionals, independent traders, senior managers and the active retired and there are no age limits.

Carshalton Rotary works closely with Wallington & Carshalton Round Table on major local events as well as running its own fund raising and social events.

For more information contact Andy Barnard on 020 8643 5746. We sincerely hope you enjoy the carnival!
